9. Do you have any other comments to add to your evaluation?

*Please keep your comments constructive and professional, abiding by the Principles of Community*

- By far the best TA I've had. Cares about the students success and will work his hardest to solve their problems. Spiro is a rockstar
- Sam was an AMAZING TA this quarter!! He teaches the material incredibly well and his discussions are actually a lot of fun! I have friends assigned to different sections that attended Sam's discussions instead (one friend from a different TEACHER attended Sam's discussions) because he helps his students understand the material so incredibly well. Best TA I've ever had!!
- Sam was awesome- one of the best TAs I've had in my college career. I hope to have him again someday.
- Sam was very enthusiastic and knowledgeable about the material and was able to clearly teach the material that may have been difficult to understand in lecture. No complaints here; he did a great job.
- Sam would always make himself readily available to students. You could ask him any question and he would help you out through it.
- Very funny and explained material really well!
- Your handwriting is fine Spiro maybe work on it a little. Overall, I don't have anything more to add without you I probably wouldn't be doing well in this course.
