9. Do you have any other comments to add to your evaluation?

Please keep your comments constructive and professional, abiding by the Principles of Community

- Good and fun TA, there seemed to be a bit of a disconnect between the professor and TA. Sam didn't seem to know what Professor Elgindi was teaching or planning in terms of tests and quizzes a lot of the time.
- Sometimes he is extremely unprepared for class and has nothing planned. I feel like most of the discussion is based off if whether students have a question or not, if not it is kinda just a pause until someone asks. He also forget some material and it's a bit silly that sometimes the student has to do the teaching in the discussion section.
